

EMAIL MARKETING SOLUTIONS

Leverage the power of our digital audience through new email solutions from all of our green and agriculture brands. Our revamped design is mobile optimized, enhancing the user experience and giving our advertisers an immersive experience, regardless of the device.

Place your product message within trending industry information to effectively build your brand and increase traffic to your website.

Choose from three ad sizes to reach your target audience of green and agriculture industry professionals.

Leaderboard	Medium Rectangle	Text/Image ad
728 x 90 px	300 x 250 px	125 x 70 px 50 characters max

Ad Takeover Sponsorship - Drive brand awareness among our valuable audience with three prime-positioned advertisements solely dedicated to one brand.

- (2) Leaderboards
- (1) Medium Rectangle
