

SUPPLIERS RESOURCE

The annual Process Flow Network Supplier's Resource connects buyers and sellers of products like yours. Participants receive 12 months of brand exposure in print and on the web, offering unequalled exposure to the most qualified buyers in an array of process industries. The December Supplier's Resource issue will reach 36,000 *Flow Control* subscribers, 70,000 *Processing* subscribers and 40,000 *Water Technology* subscribers. Here are the web components:
